- Day Care Centers
- Senior Citizen Facilities
- Colleges and Universities
- Recreational Centers
- Rehabilitation Centers
- Clinics
- Churches
- Airlines
- Health Spas
- Hotels & Motels
- Apartments
- Airports
- Hospitals

## CAUTIONS:

Do not take internally. If ingested, drink large amounts of water. Induce vomiting. Follow with more water and consult physician. For eye or skin contact, flush area with clear water for 15 minutes. Keep container sealed when not in use to prevent evaporation loss and contaminations. Triple rinse empty container before discarding in an authorized landfill site.

## DIRECTIONS:

Dilute product 4:1 before using. For deodorizing, spray upwards into the atmosphere using a good sprayer that will produce aerosol size particles. For removing musty, moldy or dank odors, spray directly on the surfaces to be treated after they have been cleaned. Dampen a cloth with this product and use for wiping bathroom fixtures, telephones, door knobs, etc., for excellent deodorizing results. It can also be used as a deodorant in toilets.
