

# CONCRETE FORM RELEASE

Cemento Forma Liberacion

## DESCRIPTION:

This Concrete Form Release is a water-based blend of natural oils and stabilizing agents. Our product forms a monomolecular film on the concrete forms to prevent concrete from sticking. Contains no VOC's, Biodegradable & Non-flammable.

## CAUTIONS:

Do not spill or store near heat or open flame. Do not ingest. If ingested, contact physician immediately. If eyes are contacted, flush with clear water and seek medical attention. Triple rinse empty container before disposing in an authorized landfill site.

## DIRECTIONS:

Product is Ready-to-Use. Spray or brush product onto surface to be treated. We recommend that wood forms be sprayed twice on the initial application.

## PROSPECTIVE USERS:

This product can be used by Concrete Pipe Manufacturers, Concrete Companies, Concrete Block Companies, Redi-Mix Companies, Brick Companies and Concrete Molders.
