

# DRAG SLAT LUBRICANT CLEANER

Arrastre Tablilla Lubricante

## DESCRIPTION:

Drag Slat Lubricant is a highly effective slat cleaner and lubricant designed to promote longer chain life as well as reduce maintenance costs. This product provides a non-stick barrier to prevent material build-up which will reduce costly down time and operational delays. Using this product will increase the life of the drag chain and sprockets. Simply apply product directly on slats at the bottom of the conveyor, either manually or automated. Product should be used at full strength. Any questions, speak to your local rep.

## CAUTION:

Do not take internally. If accidental ingestion does occur, drink a large amount of water and consult a physician. If splashed into eyes, flush with large volumes of clear water. Triple rinse empty container with water before disposing of in an authorized landfill site.

## DIRECTIONS:

Consult your Brody Chemical Representative for the proper spraying applicator.

## BENEFITS:

- 100% Biodegradable
- Contains no VOC'S
- No dilution needed
- Heat stable
- No negative impact on asphalt or equipment
- Long lasting
