

## **BE024 HAND CLEANER DELUXE DISPENSER**

Designed to pump both liquid and lotion hand soaps. The Deluxe Dispenser can handle lotions with abrasives, such as pumice, plastic beads or walnut shells. It is ruggedly built and very durable. It is specially designed to withstand the heavy demands made by both the end-user and by abrasive hand cleaners and solvents. The Deluxe Dispenser also dispenses grit & D-limonene products.

### **FEATURES & BENEFITS:**

- One-gallon capacity (Sized for standard industrial bottles)
- Flat-top bottle (Standard packaging)
- Wall mounted (Keeps counters neat & tidy)
- Lever operated (No need to use dirty hands; hand or elbow operated)
- Product sits upright (Won't accidentally leak)
- Front loading (Easy "snap-in/snap-out bottle change)
- Rugged design (Dispenser withstands hard use)
- Durable pump (Pumps abrasive hand soaps with pumice and various viscosities).
