

HAND SANITIZER GEL

DESCRIPTION:

Kills 99.9% of most common germs that may cause illness. Works in as little as 30 seconds. Specially formulated with moisturizers to leave hands feeling soft and refreshed. This product is ideal for people who need to keep their hands germ free. The Centers for Disease Control and Prevention (CDC) have recommended the use of alcohol-based hand sanitizers when soap and water are not available and hands are not visibly dirty. The CDC recommends that children in school may use alcohol-based hand rubs as an alternative to handwashing. Meets CDC guidelines for use in hospitals & healthcare facilities.

CAUTIONS:

Flammable, contains Ethyl Alcohol. Do not take internally. If swallowed, do not induce vomiting. Call a physician. If eye contact occurs, flush with water. If irritation persists, consult a physician. Rinse empty container before disposal in an authorized landfill site.

DIRECTIONS:

Dispense a small amount of Hand Sanitizer Gel onto the palm of your hand. Rub briskly until dry. Repeat as often as necessary.

Ideal for use in:

Schools, rest rooms, office, home, hospitals, care centers and any place where you need to keep your hands germ free.

PRECAUTION: AL USARIO: Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

TO THE USER: If you cannot read English, do not use this product until this label has been fully explained to you.
