

SLIDE OUT #2

SLIDE- OUT PART 2 SOLUTION IS TO BE USED ONLY INCONJUNCTION WITH SLIDE-OUT PART 1 SOLUTION.

DIRECTIONS FOR USE

ALWAYS wear PVC or rubber gloves when handling.

We recommend the use

of a squeeze-type dispenser bottle.

If a spray trigger bottle is used do NOT spray as a mist! Apply as a stream only.

Avoid breathing in vapor or mist.

Apply Part 2 Solution directly over stained area that was previously treated with Part 1 Solution. Do NOT rub in with fingers. Stained area will change from purple to clear. Rinse immediately after the stain has cleared and rewash as usual. **DANGER! CORROSIVE-POISON** Hydrofluoric Acid Solution. UN1760

Attention: Harmful if product comes in contact with eyes or skin, is inhaled, or is ingested. Use in a well ventilated area to avoid breathing in vapors or mist.

FIRST AID

EYES: Immediately flush with cool running water for at least 15 minutes. Get medical attention.

INGESTION: DO NOT induce vomiting. Immediately drink large amounts of water, and several glasses of milk or several ounces of milk of magnesia. Get medical attention. **SKIN:** Flush with running water for at least 15 minutes. If redness, irritation or burning persists or reoccurs, get medical attention.

INHALATION: Immediately remove victim from source of exposure. Keep person quiet and warm. Get medical attention if irritation systems persist.
